

# Support our Parks. Support our Community.

Our parks are the heart of Northfield, they are places to play, gather and grow together. Shaped by community input and guided by thoughtful planning, this referendum funds the improvements residents prioritized, from parks and playgrounds to programs and facilities.

A **YES vote means**, caring for what we share, investing responsibly, and ensuring our parks continue to connect and serve families today and for generations to come, all for less than \$1 a day for the average homeowner.

## Vote YES on March 17.

# A Small Share. A Big Impact.

## Where your Tax Dollars Go:

Compared to other taxing bodies, the park district receives **just 3.3% of your current tax bill** and has delivered exceptional parks, programs, and facilities used by residents every day.

**A YES vote protects and builds on that value.**
